

The Friends of Grosvenor & Hilbert Park Events Schedule

fogh.org.uk/events

POND DIPPING

Pond Dipping

When: Sat 4th May : 10:30 am - 12.30 pm

Where: The Hub / Wetlands

Join us for a pond dipping session in the wetlands. Discover the creatures that live in the Park's water habitats with local expert Martin Sutton. There's an additional event in September, watch out for tickets to see how pond life changes through the seasons. This is a ticketed event. See the website for details.

THE FOGH GREEN TEAM

FoGH Green Team: Willow Tunnel Weaving

When: Mon 13th May : 2:00 - 4:00 pm

Where: Appledore Wood / Willow Tunnel

The FoGH Green Team meets occasionally to undertake essential maintenance on the flowerbeds and other areas of the park. Green Team events may stray from conventional paths, please wear suitable attire for the task in hand. We'll be undertaking maintenance on the willow tunnel, bring gloves and secateurs if you have them.

BAT WALK

Bat Walk

When: Tue 28th May : 8:30 pm

Where: The Hub

Join us for a wander around the Park listening and looking for our resident bats. This walk is suitable for 7 years and over. This is a ticketed event. See the website for details.

Kent High Weald Volunteer Day: Dam Maintenance

When: Wed 29th May - Thu 30th May : 10:00 am - 3:00 pm

Where: Hilbert Gates / The Oast / Beaver Dam

Kent High Weald run regular volunteer days to help preserve the high standard of the park's natural resources. The conservation volunteers will be working in the woodland streams, maintaining the beaver dams.

THE FOGH GREEN TEAM

FoGH Green Team: Basket Planting

When: Sat 8th June : 10:00 am - 12:00 pm and 2:00 - 4.00 pm

Where: The Hub

The FoGH Green Team meets occasionally to undertake essential maintenance on the flowerbeds and other areas of the park. Green Team events may stray from conventional paths, please wear suitable attire for the task in hand. Help FoGH brighten up the beds and borders by the Hub & Bowling Green.

Moth

Identification Morning

Moth Identification Morning

When: Sat 15th June : 10:30 am - 12:30 pm

Where: The Hub

Drop in to the Hub to see what night-flying insects Dr Ian Beavis can identify from the overnight moth trap.

Please note: children must be accompanied by a responsible adult at all events

Ticketed Events: FoGH members get exclusive access to tickets before they go on general release

For more information about any event please check our website, posters or social media
